**SAVE
20%**

Husqvarna's ECO Bundle Program is designed to provide commercial customers and home owners a volume discount on major purchases of new Husqvarna "ECO" equipment including Automower® and battery Series products. To qualify, purchase a 400 Series Automower® and 2 or more qualifying battery products. Accessories, parts and PPE added to an original equipment order also qualify for the same discount level.

QUALIFYING BATTERY PRODUCTS

- Automower® (400 Series)
- 500LiXP Battery Series Chainsaws
- 436LiB Li-Lion Blower
- 536LiLX Battery Trimmer
- 536LiPT5 Battery Pole Saw
- 536LiHD60X Hedge Trimmer

Offers valid only at participating local independent Husqvarna dealers from May 15, 2017 onwards.

Husqvarna ECO Bundle Program

BUILDING BUSINESS

Husqvarna's ECO Bundle Program is designed to provide commercial customers and home owners a volume discount on major purchases of new Husqvarna "ECO" equipment including Automower and Battery.

HOW IT WORKS

1. Customers qualify for an ECO Bundle Program discount when:

a) Purchase 1 Automower unit (400 series) + 2 or more qualifying battery products

b) The total purchase will qualify to receive 20% off MSRP

c) All purchases are to be made on one invoice in order to qualify

2. Accessories, parts and PPE can be added to an original equipment order at the same discount level. These items must be purchased at the same time as the original qualifying purchase and on the same invoice as the equipment invoice. Separate pieces of equipment purchased outside of the original invoice will not qualify for the discount.

3. Participating dealers offer this discount at the time of sale and subsequently file a claim for credit reimbursement. Husqvarna shares the cost with dealers and will provide a credit equal to half of the rebate discount given upon claim approval.

4. No other units qualify for the discount. Qualifying products are listed above.

5. Dealers may apply for program credit by e-mail or fax with the Eco Bundle Program Dealer Claim Form.

6. The customer's invoice from the dealer must call for complete delivery of the qualifying units within 30-days before the ECO Bundle Program credit is issued to any dealer.

7. Units must be paid for by the dealer before credit is issued. Units not paid within 60 days of the sale will not be eligible for credit.

8. All claims must be submitted to Husqvarna within 60-days of the sale and must include

a) copy of the customer's invoice from dealer

b) copy of the completed product registrations and

c) if sent via e-mail or fax, completed ECO Bundle Program Dealer Claim Form.

9. The ECO Bundle Program cannot be used with or as part of any other Husqvarna discount, rebate or promotional program.

10. No grouping of orders is allowed among multiple end-users including purchasing groups and leasing agencies to qualify.

11. All dealer claims are subject to audit.

12. Husqvarna reserves the right to modify and/or change this program with or without notice.
